*B.S. Elementary Education, Radford University, Preschool Educator, Gilbert Linkous Elementary School*

A graduate of Blacksburg High School, Carly has been a part of the Dance.tech family since the studio opened its doors in 1000. In addition to sharing her love of dance with children in the classroom, she holds a degree in elementary education from Radford University. Carly has taught Kindergarten and First Grade for more than six years and earned her Directors License in Early Childhood Administration. Working as a school director for a private preschool in Kansas allowed Carly to grow as an administrator and customer relations specialist. She is excited to return to Southwest Virginia and join the Dance.tech staff again this fall, building relationships and communication with our loyal DT families. Additionally, Carly works as a Pre-K teacher at Gilbert Linkous elementary school in Blacksburg.
